

Leadership Team

John Lowe (B.A., LLB)

President - AltaGas Utility Group

John Lowe was appointed President of AltaGas Utility Group Inc in October, 2011. He has over 25 years of regulatory and energy experience, including representation of gas and electric utilities, oil and gas producers and telecommunications companies across North America. Mr. Lowe has also developed independent power projects in Alberta.

Earle Tuele (B.A., MBA)

President, AltaGas Utilities Inc.

Earle Tuele has served as President of AltaGas Utilities Inc. since March 2006. Mr. Tuele joined the company that was the predecessor to AltaGas Utilities in 1979 and served in various operational capacities before becoming Vice-President, Operating Services in November, 2005, a position he held until his appointment to President. Prior to joining what is now AltaGas Utilities, Mr. Tuele served in technical, construction, and operations functions for eight years with Northern and Central Gas Corporation, which is now part of Union Gas Ltd. Mr. Tuele holds degrees as a B.A. (Economics) and an MBA, both from the University of Alberta.

James (Jim) Bracken (CA)

President, Heritage Gas Limited

James (Jim) Bracken was appointed President, Heritage Gas Limited in September 2010. Mr. Bracken joined AltaGas in November 2004 as Divisional Vice President Gas Services and Energy Marketing, and has held a number of positions of increasing responsibility including Senior Vice President, Major Projects, where he was responsible for the development and construction of the Bear Mountain Wind project in BC. Mr. Bracken is a Chartered Accountant and has an Honours Bachelor of Commerce degree from Queen's University. He has extensive senior management and consulting experience in the energy industry and the gas distribution business in particular, including 12 years with Union Gas in a number of senior management and executive positions.

Jared Green (CA)

Vice President Controller and Corporate Secretary

Jared Green joined the Corporation in November 2007 as Director Strategic Development. In June 2008 Mr. Green became Controller of the Corporation and became Vice President Controller and Corporate Secretary of the Corporation in January 2009. Prior to joining the Corporation, Mr. Green had eight years of progressive experience in corporate reporting, accounting and risk
